

# JF Taurus 9m<sup>3</sup> Forage Wagon

Finance  
Available

The sidewalls are galvanized and this results in more strength with less weight. JF Taurus 9m<sup>3</sup> Forage Wagon was developed to be the ultimate option for the producer when harvesting. Its technological features meet all producers' needs, combining high productivity with low maintenance costs.

Its reinforced frame is entirely bolted-on, to facilitate maintenance and transport, making the wagon stronger and more practical.

## Staalmeester
